

Dear L 410 operators,

As part of improving our customer experience for Service Bulletins subscribers in our Client Zone, we have decided to publish the following information free of charge:

### **Electronic Illustrated Parts Catalog L 410 UVP-E, E9, E20**

**We are talking about a new version of the electronic interactive trilingual catalog (relevant since March 2021),** which will allow you to order spare parts faster and ease the work process for both parties.

From now on, to order spare parts, please use only this version of the catalog.

Subsequent catalog updates will be automatically added to the Client Zone in full.

*Those of you who do not yet have a subscription to the Service Bulletins, as well as anyone interested in getting more information, can contact us at [pps@let.cz](mailto:pps@let.cz).*
